

The Children's Cup Golf Tournament

To benefit

As a sponsor of The Children's Cup, you can support child care for working families in our area. Of 250 families, 29% of families receive financial aid in order to afford child care and go to work. CCCC partners with DCYF, Head Start, and the Division of Health and Human Services to help the most vulnerable families become stable. You can help us succeed through your generous support.
